## Why church? - from "Ms. Kristina"

No one likes to add extra things into  
an already busy week, but adding  
church can have a positive impact on  
your children and your family.

Our FBC Kids mission statement and  
core values support family ministry.  
We want you and your family to grow  
closer together, develop your faith,  
and make life-long connections with  
our church family.

Each week, the kids learn about faith  
in a way that is relevant to their life.  
We take time to wonder, explore, and  
ask questions about what we are  
learning.

While church can feel like *one more  
thing on your to-do list*, it could be one  
of the most important long-term  
investments you do for your family  
each week.

If you have any questions, please  
reach out! I am excited to hear from  
you!
